

PTTR26262HG

PTTR26362HG

PlugTail™. The fastest, most consistent and reliable wiring devices – ever.

PTTR26262HG, PTTR26362HG

Factory-terminated devices and connectors mean that device installation is the same regardless of skill level of the installer. The UL-Listed connectors are keyed to ensure proper wiring installation into each extra heavy-duty receptacle. The connector simply snaps into the back of the device — no fussing with wires, stripping, or tightening screws. PlugTail devices are finger safe with no exposed terminals, so taping is not required.

A sturdy mechanical shutter system helps prevent children from sticking objects into the receptacle. The toughest and safest hospital grade tamper-resistant receptacle available.

Features & Benefits

PTTR26262HG

Built-in connector features large brass terminal blades to ensure consistent, reliable electrical connections.

Large brass contacts snugly terminate on device blade terminals. Audible snapping latch assures connection, allows release.

Ultrasonically welded polycarbonate connector housing secures terminations and conductors in a UL Listed, finger safe housing.

No exposed terminals create a finger safe application before, during, and after installation.

Pre-stripped connector leads fasten to conductors, easier than standard pigtails.

3rd Party Compliance

cULus Listed, File Number E140596, Standard UL498.
Federal Specification WC596.
Conforms to NEMA WD-1 and WD-6, Hospital Grade.

Technical Information

Performance

Electrical

| | |
|-------------------------|---|
| Dielectric Voltage | Withstands 2000V minimum |
| Maximum Working Voltage | 125V |
| Current Interrupting | Certified for current interrupting at full-rated current (receptacle only) |
| Temperature Rise | Maximum 30° C temperature rise at full-rated current after 50 cycles of overload at 150% of rated current with direct current |

Mechanical

| | |
|-----------------------------------|--|
| PlugTail Connector Identification | #12 AWG, THHN, copper conductor, 6" leads, stripped, solid or stranded, for use with PlugTail Receptacles only |
| Product Identification | Ratings are a permanent part of the device |

Environmental

| | |
|-----------------------|--|
| Flammability | UL94 V2 |
| Operating Temperature | Maximum continuous +60°C, minimum -40°C without impact |

Materials

| | |
|----------------------|------------------------|
| Face | Nylon |
| Back Body | PVC |
| Assembly Drive Screw | Zinc-Plated Steel |
| Tamper Shutter | Thermoplastic |
| Line Contacts | .036 688 Brass |
| Auto-Ground Clip | Steel |
| Mounting Strap | .042 Zinc-Plated Steel |
| Mounting Screws | Tri-Drive Steel |

PlugTail Connector Materials

| | |
|----------|---------------|
| Housing | Polycarbonate |
| Contacts | .030 Brass |
