

CGB8236NB - CGB Series - Unarmored Cable Connector 3" NPT Nickel Plated Brass

By Killark
Catalog # [CGB8236NB](#)

The CGB connector is for use all unarmored cable and flexible cords. This connector features a removable "top-hat" sleeve seal and is designed to cover a broader range of cable diameters for carrying less stocking SKU's. Superior ingress protection with Type 3,3R,4,4X,12 ratings. Designed and certified for NEC and CEC applications.

Features

- Revolutionary design covers a broader range of cable sizes
- Grommet sleeves are field removable to adjust to multiple cable ranges and cable diameter variances
- Eliminates carrying numerous amounts of different CGB type connectors for job sites
- Available in sizes ranging from 1/2" to 4" NPT in copper-free aluminum, zinc plated steel, 316L stainless steel and nickel plated brass finishes.
