Cat No: 50391089

UPC No: 783310391081

#### Description

---

- Helps eliminate winding and tangling of rope and cable during pull
- Connects grip and pulling rope
- All stainless steel body construction
- Efficient thrust and roller bearing construction allows smooth rotation, even under full load.
- Clevis pins are "shoulder bolt" style, so load on both sides of clevis is taken on the shoulder, not on the thread. Select the swivel with a maximum rated capacity that meets or exceeds the cable puller's maximum pulling force.

#### Specifications

---

- Capacity : 7000.000 LB (31.100 KN) Maximum Rated
- Weight : 1.000 LB (0.450 KG)
