Mighty-Hold® Universal Steel One Hole Strap

Bridgeport's Mighty-Hold® Universal Straps offer a unique patented feature called the spring loaded finger. The spring loaded finger enables the universal steel strap to securely fasten a wide range of AC/MC/MCIA/JMC cables, as seen in the table below. Our newest offering, the US-6171 covers 10/4 to 8/3 cable, and is made from zinc plated steel.

With Mighty-Hold® Universal Steel Straps, electricians will always have the proper strap for their application.

Catalog #	Cable Type	Cable Dia. Range, in.
