

# Eaton XDT1A1X

Catalog Number: XDT1A1X

Eaton Crouse-Hinds series XDT dry-type transformer, 60 Hz, 1 kVA, 316 stainless steel, Single-phase, 480 Vac, 120/240 Vac, Copper windings, Resin encapsulated

## General specifications

| Product Name                                       | Catalog Number |
|----------------------------------------------------|----------------|
| Eaton Crouse-Hinds series XDT dry-type transformer | XDT1A1X        |
|                                                    | UPC            |
|                                                    | 662276445048   |
| Product Length/Depth                               | Product Height |
| 9.9 in                                             | 10.3 in        |
| Product Width                                      | Product Weight |
| 7.8 in                                             | 30 lb          |

## Certifications and compliances

### Area classification

Hazardous/Classified Locations

### Standards type

NEC/CEC

### NEC hazardous rating

Class I, Division 2

### NEMA Rating

4X

## Product specifications

### Type

Resin encapsulated

### Phase

Single-phase

### Primary voltage

480 Vac

### Secondary Voltage

120 Vac/240 Vac

### Frequency rating

60 Hz

### Material

316 stainless steel

### Special features

Copper windings
