## Strut and Accessories

Designed for Easy Attachment of Conduit to Strut!

PVC-Coated Pipe Strap

### Pipe Straps for Strut

Just twist-insert these pipe straps anywhere you need them along the slot side of a channel. For additional flexibility, you can position the straps as closely as your pipe couplings permit.

- Combination slot and hex head bolt for flexibility of attachment
- Captivated square nut on shoulder enables easy one-handed tightening
- Use with either 1-5/8 in. or 1-1/2 in. strut for greater versatility
- Shipped pre-assembled for easier counting, sorting and handling
- Available with nominal 0.015 in. (15 mils) PVC coating in your choice of blue, white or grey standard colours (custom colours also available on request)
- Uncoated pipe straps are available by ordering Series 700 and adding Type 316 stainless steel
